

LAUNCH

2022/23 Partnership Proposal

WESTERN CANADA'S LEADING TECH INCUBATOR & ACCELERATOR

Since 2012, Launch has helped incubate more than 6,000 entrepreneurs of which 300 have grown their startups to Seed and Series A stage and raised over \$2.5 Billion in funding.

LAUNCH PROGRAMS

At Launch, we've developed two leading programs to help technology companies accelerate their growth. Our Maple Program helps international founders and their companies land in Canada and further advance operations within North America, while our LaunchPad Program connects companies with mentors, investors and fellow founders.

MAPLE

We are a Designated Organization of the Canadian Government’s Startup Visa Program and a Designated Referral Partner for the Global Talent Stream Program. Our Maple Program helps international companies grow their operations in Canada.
