

LAUNCHPAD

by  **LAUNCH
ACADEMY®**

LaunchPad helps your startup get to the next level. For more than 10 years, Launch has helped incubate over 6000 entrepreneurs of which 300 have grown their startups to Seed and Series A stages and raised over \$2.5 Billion in funding. LaunchPad connects Tech entrepreneurs with the right people – seasoned startup mentors, an international community of founders, top investors – and provides you with the right benefits and resources.

Are you ready to surround yourself with like-minded entrepreneurs every day?
